BT Multi-manager Diversified Share Fund

In April 2007, the name of the 'Multi-manager Diversified Share Fund' changed to the 'Multi-manager High Growth Fund'.

The change was made to better reflect the nature of the fund, particularly as the investment strategies of the fund are no longer limited solely to shares, but a selection of alternative assets (up to 15%), that include non equity components. There is no change to any other aspect of the fund, including investment objective, strategy or guidelines. Information about the fund, its investment objective, strategy and guidelines is set out in the relevant Product Disclosure Statement.
