Transaction account fee This is the amount the Administrator earns for managing the amount held in your transaction account. It is not separately deducted from your Transaction Account	This is equal to the amount the Administrator earns for managing the amount held in your Transaction Account, less the interest amount credited to your Transaction Account. As at 30 September 2025, the Transaction Account fee is 0.7416% for Asgard eWRAP Super, and 0.4150% for Asgard eWRAP Pension.	The Transaction Account fee is not separately deducted from your Transaction Account. It accrues daily and is deducted on a monthly basis in arrears from the investment returns earned by the Administrator on the underlying assets the Administrator invests Transaction Account balances in.	This is equal to the amount the Administrator earns for managing the amount held in your transaction account, less the interest credited to your transaction account ^{4,5} . As at 30 September 2025, the transaction account fee is 1.20% pa.	No change.

⁴ The interest rate declared in respect of the cash allocation for your investment in tailored portfolios may be lower than the rate declared in respect of your transaction account, in which case the Transaction Account fee for the cash allocation may be higher. For more information refer to the 'Your Transaction Account' section of the BT Panorama Super PDS.

⁵ Investment fees and costs includes an amount of 0.00% for performance fees. The calculation basis for this amount is set out under 'Performance fees' in the 'Additional explanation of fees and costs' section of the BT Panorama Super PDS.

Transaction costs

Listed security transaction fee – online broker <i>(Currently known as Share brokerage)</i>	This amount applies when you trade in listed securities:		0.11% ⁶ of the value of the transaction, subject to a minimum charge of \$12.50 per transaction ⁷ , payable to the Administrator. This includes buying or selling listed securities held as part of an adviser portfolio.	Deducted from your transaction account at the time the transaction is settled.
	Trade value	Brokerage		
	Up to and including \$30,000	\$25		
	Over \$30,000	0.1025% of trade value		
Listed security transaction fee – tailored portfolios	Tailored portfolios are not available.	Not applicable.	Between 0.11% and 0.20% of the value of the transaction, payable to the Administrator.	Deducted from the cash allocation of your tailored portfolio at the time the transaction is settled.
Listed security transaction fee – external broker	Trading listed securities through an external broker is not available.	Not applicable.	No external broker fee is charged by the Administrator. However, the external broker may negotiate a fee directly with you, which will be reflected in the acquisition or disposal cost.	Deducted from your transaction account at the time the transaction is settled.

⁶ If the transaction needs to be managed by the online broker (for example, due to insufficient liquidity in the market), a transaction fee of up to 0.20% of the value of the transaction will apply.

⁷ If you or your financial adviser request your order remain valid unless it is cancelled and the order is transacted over more than one day, the minimum charge applies for each day a transaction occurs.

Additional information about fees and costs on your BT Panorama Super account

Fees and costs in addition to the amounts included in the table above may apply to your BT Panorama Super account, just as they may have previously applied to your Asgard eWRAP Super/Pension account. These additional fees and costs may include advice fees, insurance premiums, transaction costs, any applicable buy/sell spread charges, portfolio management fees, Family Law Act fees, or government or bank fees. The actual other fees and costs incurred are dependent on your investment decisions and the fees you may negotiate with your financial adviser or if you appoint a Managed Discretionary Account (MDA) provider. More information about these fees and costs for your BT Panorama Super account is provided below, along with information about grouping accounts.

Benefit from multiple accounts in a related group

After the move, you can apply to have your account grouped with other BT Panorama Super, BT Panorama Investments and/or BT Super Invest accounts held by:

- you
- your immediate family (your spouse, partner, parents, children and siblings)
- companies in which you or your immediate family member have an interest and/or
- trusts and self managed superannuation funds where you or your immediate family member is a trustee,

which may allow you to reduce the administration fees you pay. A maximum of eight BT Panorama Super, BT Panorama Investments and/or BT Super Invest accounts can be grouped together.

An account cannot be in more than one related group at a time. Full menu and Compact menu accounts can be included in the same related group. Focus menu accounts are not eligible to be included in an account group.

When accounts are grouped, their balances are combined to calculate the total group balance. The Administration fee - *asset based* is calculated on the total

group balance and is then apportioned across the grouped accounts based on the balance held in each account. Therefore the impact of account grouping on each account will vary depending on the individual account balance and the balances of all grouped accounts.

Note that grouping of accounts may not result in a reduced Administration fee - *asset based* and in some cases, may result in a higher Administration fee - *asset based* being applied to your account and/or other accounts in a related group.

The Administration fee - *account based*, expense recovery and custodial holdings option fee (where applicable) are payable for each account. If an account is removed from a related group during a calendar month (for example if the account is closed or is no longer eligible to be grouped), the balance of that account will not be combined with other accounts in the related group for the purpose of determining the rates applicable to the remaining accounts in the relevant related group for that calendar month.

Grouping of accounts to further reduce administration fees and costs is not available where an existing waiver or reduction of any administration fee is applied to your account (as described in the section 'Additional explanation of fees and costs' of the BT Panorama Super PDS).

Grouping of accounts does not apply automatically and therefore you must speak to your financial adviser or contact us to discuss the impacts of account grouping and to have this arrangement applied to the account.

The Trustee has the ability to reject any request to establish a related group at its discretion.

Accounts already grouped on Asgard

Your account may already be grouped with other Asgard accounts belonging to you. These accounts will remain grouped when you move to BT Panorama Super. After the move, you can apply to have additional accounts added to this group, or create new groups, as described above.

Ongoing annual fees and costs

Investment fees and costs

Managed fund and ETF fee rebates

Currently, you may be receiving rebates on certain managed investments offered through your Asgard eWRAP Super/Pension account. These rebates will no longer apply on your BT Panorama Super account.

In your BT Panorama Super account, in some cases, your financial adviser's licensee may negotiate on your behalf with a fund manager to provide a partial rebate of the investment costs for the managed funds or ETFs you invest in to the Administrator. In general, your entitlement to the rebate will be based on your holding of the managed fund or ETF at the payment date of the rebate. However, where you instruct the Trustee to close your account prior to the processing by the Administrator of a rebate, you will not be entitled to that rebate.

Transaction costs

The Administrator may receive up to 100% of the transaction fee charged for listed security transactions placed with the online broker.

If you use an external broker they will negotiate a fee directly with you. This fee will be reflected in the acquisition or disposal cost and will be deducted from your Transaction Account at the time of settlement. If the trade cannot settle, any dishonour fee charged by your broker, and any costs associated with the failed trade that are passed onto the Administrator, will be deducted from your Transaction Account. These fees are deducted at the time the trade fails to settle, or at the time they are passed on to the Administrator.

There is currently no transaction fee charged by the Administrator in relation to investments in or withdrawals from managed funds and managed portfolios.

Transaction costs are an additional cost to you and will be deducted from your Transaction Account.

Member activity related fees and costs

Fees payable for advice and services provided to you

The fees described in the table below are only payable if you agree the amount of the fee with your financial adviser (if you have appointed one) and direct the Trustee to pay them from your Transaction Account on your behalf.

Asgard eWRAP Super/Pension			BT Panorama Super	
Type of fee or cost	Amount	How and when paid	Amount	How and when paid
Advice fee <i>(Currently known as Ongoing adviser fee)</i> A fee that you may authorise the Trustee to pay your financial adviser (or your financial adviser's licensee) for the provision of advice (and related services) to you in relation to your account.	The following monthly adviser fee options are available: Flat percentage amount (%) – a flat percentage between 0% and 5.5% pa (including GST) applied to the value of managed investments, term deposits, listed securities and your Transaction Account balance (a different percentage can apply to each category), or Sliding scale – a sliding scale applicable to the combined value of managed investments, term deposits and listed securities, or Flat dollar amount (\$) – a flat dollar amount per month which can be increased annually in line with the Consumer Price Index (CPI).	Deducted from your Transaction Account monthly in arrears. The flat percentage and sliding scale monthly adviser fee options are calculated based on your account balance of managed investments, term deposits, listed securities and/or cash, as applicable at the end of the previous month.	You can negotiate the amount of this fee as a dollar and/or percentage amount with your financial adviser. You can elect to pay this fee on an ongoing basis, or for a fixed term period of up to 12 months. If you specify a percentage amount, that amount will be calculated based on your average daily balance for the month for the specified investments holdings. If you specify a dollar amount on an ongoing advice fee, you may elect to automatically adjust the amount annually in line with the Consumer Price Index. If you have already agreed an advice fee to be adjusted annually in line with the Consumer Price Index, once your account has been moved to BT Panorama Super, the date of the next adjustment will be 12 months from the date of the move. The expiry date of your agreement will not change.	No change.
One-off advice fee <i>(Currently known as One-off adviser fee)</i> A one-off fee that you may authorise the Trustee to pay your financial adviser (or your financial adviser's licensee) for the provision of advice (and related services) to you in relation to your account.	You can agree with your financial adviser to have a one-off flat dollar fee charged to your account. The one-off adviser fee can be paid to your financial adviser in addition to the administration fees and costs which are payable to the Trustee. When you agree on an amount, you consent to the Trustee deducting and paying this amount from your Asgard account.	The one-off adviser fee can be charged on an ad-hoc basis but is limited to being charged once a month. It is deducted from your Transaction Account balance in arrears at the beginning of the next month or, if applicable, at the time your account is closed. In each case, the one-off fee will only be charged if your total account balance as at the end of the previous month was sufficient to cover the fee amount.	No change.	The one off advice fee is deducted from your Transaction Account at the time the request is processed by the Administrator.

Other fees and costs

Portfolio management fee

This is a cost incurred where you appoint an MDA provider in relation to a tailored portfolio and you agree to pay a portfolio management fee. For more information, refer to 'Portfolio management fee' in the 'Additional explanation of fees and costs' section of the BT Panorama Super PDS.

Insurance premiums

Currently, if you have insurance cover through your Asgard eWRAP Super account, the premiums payable will be deducted monthly from your Transaction Account. They will continue to be deducted monthly from your Transaction Account after the move. You may also be able to change the frequency after the move.

If you don't currently have insurance cover through your Asgard eWRAP Super account, you can elect to take up the insurance offering on BT Panorama Super, where the premiums will be determined based on the coverage you select and deducted at the frequency you choose.

Incidental fees and costs

All other fees and costs (such as government fees, bank fees, government duty, fees for failed transactions and penalty interest) incurred as a result of a transaction, deposit or withdrawal, will be deducted from your Transaction Account.

Any applicable government duty payable in respect of asset transfers you make to BT Panorama Super or managed portfolios will be deducted from your Transaction Account.

Fees and expenses in association with Family Law Act requirements

The Trustee may decide to impose reasonable fees, and pass on any expenses it incurs, where your investment is affected by requirements under the Family Law Act. These may include, but are not limited to, fees for implementing the splitting of, or the application of a payment flag on, your super investment. If your super investment becomes affected by the requirements under the Family Law Act, you will be notified of any fees that may be charged by the Trustee.
