# Additional information about fees and costs on your BT Panorama Super account

Fees and costs in addition to the amounts included in the table above may apply to your BT Panorama Super account, just as they may have previously applied to your eWRAP Super/Pension account. These additional fees and costs may include advice fees, insurance premiums, transaction costs, any applicable buy/sell spread charges, portfolio management fees, Family Law Act fees, or government or bank fees. The actual other fees and costs incurred are dependent on your investment decisions and the fees you may negotiate with your financial adviser or if you appoint a Managed Discretionary Account (MDA) provider. More information about these fees and costs for your BT Panorama Super account is provided below, along with information about grouping accounts.

#### Benefit from multiple accounts in a related group

After the move, you can apply to have your account grouped with other BT Panorama Super, BT Panorama Investments and/or BT Super Invest accounts held by:

- you
- your immediate family (your spouse, partner, parents, children and siblings)
- companies in which you or your immediate family member have an interest and/or
- trusts and self managed superannuation funds where you or your immediate family member is a trustee,

which may allow you to reduce the administration fees you pay. A maximum of eight BT Panorama Super, BT Panorama Investments and/or BT Super Invest accounts can be grouped together.

An account cannot be in more than one related group at a time. Full menu and Compact menu accounts can be included in the same related group. Focus menu accounts are not eligible to be included in an account group.

When accounts are grouped, their balances are combined to calculate the total group balance. The Administration fee - *asset based* is calculated on the total group balance and is then apportioned across the grouped accounts based on

the balance held in each account. Therefore the impact of account grouping on each account will vary depending on the individual account balance and the balances of all grouped accounts.

Note that grouping of accounts may not result in a reduced Administration fee - asset based and in some cases, may result in a higher Administration fee - asset based being applied to your account and/or other accounts in a related group.

The Administration fee - account based, expense recovery and custodial holdings option fee (where applicable) are payable for each account.

If an account is removed from a related group during a calendar month (for example if the account is closed or is no longer eligible to be grouped), the balance of that account will not be combined with other accounts in the related group for the purpose of determining the rates applicable to the remaining accounts in the relevant related group for that calendar month.

Grouping of accounts to further reduce administration fees and costs is not available where an existing waiver or reduction of any administration fee is applied to your account (as described in the section 'Additional explanation of fees and costs' of the BT Panorama Super PDS).

Grouping of accounts does not apply automatically and therefore you must speak to your financial adviser or contact us to discuss the impacts of account grouping and to have this arrangement applied to the account.

The Trustee has the ability to reject any request to establish a related group at its discretion.

#### Accounts already grouped in eWRAP

Your account may already be grouped with other eWRAP accounts belonging to you. These accounts will remain grouped when you move to BT Panorama Super. After the move, you can apply to have additional accounts added to this group, or create new groups, as described above.

## Ongoing annual fees and costs

#### **Investment fees and costs**

#### Managed fund and ETF fee rebates

Currently, you may be receiving rebates on certain managed investments offered through your eWRAP Super/Pension account. These rebates will no longer apply on your BT Panorama Super account.

In your BT Panorama Super account, in some cases, your financial adviser's licensee may negotiate on your behalf with a fund manager to provide a partial rebate of the investment costs for the managed funds or ETFs you invest in to the Administrator. In general, your entitlement to the rebate will be based on your holding of the managed fund or ETF at the payment date of the rebate. However, where you instruct the Trustee to close your account prior to the processing by the Administrator of a rebate, you will not be entitled to that rebate.

#### **Transaction costs**

The Administrator may receive up to 100% of the transaction fee charged for listed security transactions placed with the online broker.

If you use an external broker they will negotiate a fee directly with you. This fee will be reflected in the acquisition or disposal cost and will be deducted from your Transaction Account at the time of settlement. If the trade cannot settle, any dishonour fee charged by your broker, and any costs associated with the failed trade that are passed onto the Administrator, will be deducted from your Transaction Account. These fees are deducted at the time the trade fails to settle, or at the time they are passed on to the Administrator.

There is currently no transaction fee charged by the Administrator in relation to investments in or withdrawals from managed funds and managed portfolios.

Transaction costs are an additional cost to you and will be deducted from your Transaction Account.
