IMPORTANT INFORMATION:

- You must have read the PDS before completing this Additional application form.
- All words and phrases used in this application form have the same meaning, if any, given to them in the PDS.
- Please ensure all relevant fields are completed. If you do not complete all relevant sections your application may be rejected and returned to you for completion, resulting in a delay in processing your application.
- If you have any questions as you complete this form, please refer to the FAQs of this form, or contact us on (02) 8456 0230 within Australia.

The Responsible Entities for the Funds offered through BT Investment Funds and BT Classic Investment Funds are BT Funds Management No. 2 Limited ABN 22 000 727 659, AFSL 233720 and Westpac Financial Services Limited ABN 20 000 241 127, AFSL 233716. The information collected on this form is governed by the BT Privacy Policy which is available on bt.com.au.

Section A: DDO Obligations

The following questions may assist BT Funds Management No2 Limited and/or Westpac Financial Services Limited in meeting its regulatory obligations by determining whether this financial product is being offered to the stated target market.

The below only needs to be answered where you are a direct [retail] investor (i.e. does not apply to Indirect or intermediated investments such as those made by platforms, custodians, etc).

Was this investment made based on personal advice received from your financial adviser?

Yes - please ensure the details of your financial adviser are completed in Section B

No - please complete the questions below:

A. What is your primary investment objective in relation to this investment? (select only one option)

Capital growth (you seek to invest in a product designed or expected to generate capital return over the investment timeframe. You prefer exposure to growth assets (such as shares or property) or otherwise seeks an investment return above the current inflation rate).

Capital preservation (you seek to invest in a product designed or expected to have low volatility and minimise capital loss. You prefer exposure to defensive assets that are generally lower in risk and less volatile than growth investments (this may include cash or fixed income securities).

Income distribution (you seek to invest in a product designed or expected to distribute regular and/or tax-effective income. You prefer exposure to income-generated assets (this may include high dividend-yielding equities, fixed income securities and money market instruments)).

B. What is your investment timeframe in relation to this investment? (select only one option)

Up to and including 2 years (i.e. Short term)

More than 2 years but less than 5 years (i.e. Medium term)

Equal to 5 years but less than 7 years (i.e. Medium to long term)

Equal to 7 years or more (i.e. Long term)

C. Under normal circumstances, within what period do you expect to be able to access your funds for this investment? (select only one option)

Within one week

Within one month

Within three months

Within one year

More than one year

D. In relation to this investment, which investment risk and return profile best describes you? (select only one option)

Low risk and return: You are looking for an investment that is low risk in nature (e.g. you have the ability to tolerate up to 1 negative return over a 20-year period and you are comfortable with a low target return from this investment).

Medium risk and return: You are looking for an investment that is moderate or medium risk in nature (e.g. you have the ability to tolerate up to 4 negative returns over a 20-year period and you are comfortable with a moderate target return from this investment).

High risk and return: You are looking for an investment that is higher risk in nature (e.g. you have the ability to tolerate up to 6 negative returns over a 20-year period in order to achieve a higher target return from this investment).

Very high risk and return: You are looking for an investment that is very high risk in nature (e.g. you have the ability to tolerate 6 or more negative returns over a 20-year period as you are seeking to maximise returns and you can accept higher potential losses).

Extremely high risk and return: You are looking for an investment that is extremely high risk in nature (e.g. you have the ability to accept significant volatility and losses as you are seeking to obtain accelerated returns (potentially in a short timeframe)).

E. What percentage of your total investable assets are you directing to this fund - that is the total assets you have available for investment, excluding your residential home? (select only one option for each Fund you'd like to invest in below)
