When to use this form

As your client's adviser, you can use this form to:

- Instruct BT Portfolio Services Limited ('Administrator'), the Administrator of Panorama Super on your client's behalf, to refresh your client's Panorama Super pension account (pension account) and direct debit your client's primary linked bank account to make cash contributions (including downsizer) to their pension account.
- Notify the Administrator that you or your client are making a cash contribution (including downsizer) or rollover into your client's pension account and request that the Administrator refreshes your client's pension account. You must submit this form before making any contributions to the pension account.
- Request the Administrator to refresh your client's pension account without any cash contributions, rollovers or asset transfers.

Do not use this form for Panorama Super Term Allocated Pension accounts or if you do not have a financial adviser on your Panorama Super pension account.

How to complete this form

This form is set out in numbered sections, which are to be completed as follows:

- Sections 1, 2, 3 and 9 are mandatory and must be completed.
- Section 6 is mandatory if making any personal contributions (including in-specie).
- For cash contributions (including downsizer) - also complete section 4. Additionally, for downsizer contributions, complete section 8.
- For in specie asset transfers - also complete section 5.
- For cash rollovers - also complete section 7.

For additional support or more information on your client's Panorama account, you can contact us.

Privacy Statement

All personal information and credit-related information we collect about you is collected, used and disclosed by us in accordance with our Privacy Statement which is available at www.bt.com.au/privacy/privacy-statement or by calling us. Our Privacy Statement also provides information about how you can access and correct your personal information, and make a complaint. You do not have to provide us with any personal information or credit information but, if you don't, we may not be able to process your request.

Before you submit this form

Prior to submitting this form, you need to complete the following, where applicable:

- If you are submitting a contribution or personal tax deduction notice, ensure your client's tax file number (TFN) has been provided to the trustee of Panorama Super, BT Funds Management Limited ('Trustee'). You can provide or check for a TFN in respect of your client's pension account by signing into BT Panorama and going to **Account details > Investor** in your client's Panorama Super pension account or contact us for assistance.
- If you are requesting in specie asset contributions or rollovers, we may not be able to transfer the assets directly into your client's pension account if it was migrated from another product as a pension account. To find out if this applies to your client's pension account, contact us or sign in to BT Panorama and go to 'Account details'. Migrated pension accounts will have a migration date, whereas non-migrated pension accounts will not have any references to migration. If the pension account was not migrated, we will contact you once the in specie asset transfer is complete so that any tax deductions can be claimed before the pension is recommenced.
- If you would like the Administrator to execute direct debits for your client, ensure the desired bank account is linked and marked as 'primary'.
- Ensure you have assessed your client's Transfer Balance Cap (TBC). Any changes in asset values during the time an asset is transferred or purchased in the account along with interest, income and expenses will impact your client's TBC prior to pension commencement. This means the value of assets and cash transferred in or purchased in the account may differ from your intended commencement value and you may need to commute an amount from the pension after commencement. Refer to the Australian Taxation Office (ATO) website to determine your client's TBC. Your client can also log into their ATO MyGov account to check their TBC information.

Pension refresh

What happens after you submit this form

After submitting this form, your client's Panorama Super pension account and income stream will be ceased and placed into a pre-commencement phase. During this phase, it will be taxed as if it is an accumulation account, which means that income and capital gains will be treated as taxable income. At this time, the Administrator may temporarily place a trade block on your client's pension account so that a contribution, rollover or asset transfer can be allocated. The trade block will be removed each time the pension is recommenced.

Where multiple transactions are being processed, the Administrator may cease and recommence ('reset') your client's pension multiple times and your client may receive a pension payment so that the minimum annual pension amount (pro-rated based on the pension commencement date and the commutation date) has been paid before each reset. All trades and corporate actions need to have settled before the Administrator can process this request. If the pension account holds a managed account, rebalancing will occur after the pension account has been recommenced. After each reset the pension account will be recommenced with a new commencement value.

Important information on managing pension payments

After your client's pension account has recommenced, the pension payment preference will be set to the default yearly payment with the payment date occurring on 10 June. You can view or update this preference by going to 'Pension payments' in your client's Panorama Super pension account.

5 Transfers

Complete this section if you are transferring assets from another Panorama account, external fund, or direct holding, otherwise skip to section 6. (Do not use this section for cash-only rollovers - you can indicate this in section 7 instead.)

i Important

If your selection involves in specie contribution or rollover, we may not be able to transfer the assets directly into your client's pension account if it was migrated from another product as a pension account. To check if your client's pension account has a migration date, you can go to 'Account details' or contact us for assistance. Migrated pension accounts will have a migration date, whereas non-migrated pension accounts will not have any references to migration.

If your client's pension account was not migrated, we will contact you once the asset transfer has been completed so that you can claim a tax deduction against the transfer and recommence your client's pension.

Select all that apply: In specie contribution - additional 'Asset transfer - Panorama Super (contributions)' form is required

In specie rollover - additional 'Offline Asset transfer - Panorama Super (rollovers)' form is required (For any cash portion of this transfer, indicate this in section 7)

Partial transfer of assets and cash, or partial transfer of assets only, from another Panorama superannuation account - additional 'Partial transfer within Panorama Super' form is required

Full transfer of assets and cash from another Panorama superannuation account - additional 'Full transfer within Panorama Super' form is required

Where are you transferring from? (Select all that apply) Another Panorama account - enter account number:

Client declaration

This section must be completed by your client if the following agent declaration is not being completed.

By signing this form, you (as the client) are confirming that you understand:

- A downsizer contribution is included as a superannuation asset for the age pension means test.
- You are not able to claim a personal superannuation contribution deduction for a downsizer contribution.
- The superannuation fund currently holds this contribution and has not begun to pay a superannuation income stream based in whole or in part on this contribution.
- If the ATO becomes aware that your contribution does not meet the downsizer eligibility requirements, the ATO will notify your superannuation fund and the fund will need to assess whether your contribution could have been made as a personal contribution.

Note: If your contribution can be accepted as a personal contribution, it will count towards the relevant contributions cap. If your contribution cannot be accepted, your superannuation fund will return your contribution.

I meet all the eligibility requirements to make a downsizer contribution and declare that the information contained in this form is true and correct.

Providing false or misleading information on this form may result in the ATO imposing an administrative penalty.

Agent, intermediary, authorised officer or authorised representative's declaration

I declare the following:

By submitting this form, I confirm that my client and I understand:

- A downsizer contribution is included as a superannuation asset for the age pension means test.
- My client cannot claim a personal superannuation contribution deduction for a downsizer contribution.
- If the ATO becomes aware that this contribution does not meet the downsizer eligibility requirements, the ATO will notify my client's superannuation fund and the fund will need to assess whether my client's contribution could have been made as a personal contribution.

I also confirm:

- This form has been prepared in accordance with information supplied to me by my client.
- I have received a declaration from my client stating the information provided to me to complete this form is true and correct.
- I am authorised by my client to give this information to their superannuation fund.
- My client meets all the eligibility requirements to make a downsizer contribution and declares that the information contained in this form is true and correct.

9 Adviser authorisation & acknowledgement

By submitting this form, you agree that all information provided in this form is true and correct, and you agree to the following terms and conditions:

- I am the financial adviser appointed on this client's Panorama Super account.
- My appointment has not been revoked during the preparation and submission of this form.
- I have read and understood the contents of this form, and declare and acknowledge that:
 - The information I have provided in this form is true and correct.
 - My client's income stream will be ceased and recommenced ('reset') as part of carrying out the instructions submitted in this form and where multiple transactions have been instructed, a reset may occur multiple times.
 - An additional pension payment may be required to be paid to my client before each time the pension resets to ensure that the pro rata minimum pension payment for the year has been made.

DECIXIBTF34073

9 Adviser authorisation & acknowledgement - continued

- My client has been made aware of the actions that the Trustee and/or the Administrator will execute based on the instructions given in this form, which may include direct debiting the client's bank account to make contributions, processing cash rollovers, ceasing and commencing an income stream from their pension account (which may occur more than once if contributions, rollovers and in specie transfers are received at different times) and making a pension payment each time a pension reset is performed to ensure that the pro rata minimum pension payment for the year has been made. My client is also aware that prior to the cessation of their pension, drawdowns and rebalancing for managed portfolios (including tailored and adviser portfolios) will be deactivated and reactivated once their pension recommences. A block will also be applied to their pension account prior to pension cessation, which will prevent trading and other online actions until the block has been removed at pension recommencement.
- Any investment income and capital gains received in the pension account after the pension has ceased and before commencing the new pension will be taxed at a maximum rate of 15%. The effective date used for any rollover, contribution and/or in specie transfer applied to my client's pension account will be the date the funds have been applied to the pension account.
- I have verified that my client is an account holder of the bank account that is the primary linked account on their Panorama Super account, and I have sighted and will retain evidence to confirm this.
- My client has read and agreed to the Direct Debit Service Agreement detailed in the 'Panorama Super Additional Information Booklet'.
- I have provided my client with personal advice in relation to the product. The advice is consistent with applying for the product and remains current at the time I submit this form.
- My client is within the target market for the product, which is updated from time to time and can be found on bt.com.au/tmd
- My client is aware that they may ask about any fees or charges that may apply or any other information about the effect that the rollover may have on benefits (such as loss of insurance) and has obtained or does not require such information; that if they have completed section 7 and requested the Trustee/Administrator to complete the rollovers on the client's behalf, that they authorise the super provider of each fund to give effect to the transfer; and that they discharge the super provider of the transferring fund from all further liability in respect of the benefits paid and transferred to Panorama Super.
- The liability of the Administrator and Trustee (together, the Providers), including their authorised agents, is limited to the full extent permitted by law (except to the extent damages, liabilities, costs or expenses are caused by the negligence or default of the Providers or their authorised agents) where it arises directly or indirectly from acting on the information or instructions provided under, or associated with, this form.
- I declare that my client has authorised me, as their agent, to submit the instructions contained in this form in respect of their Panorama Super pension account.
- I will provide the Administrator with evidence of my authorisation for the transactions contained in this form upon request.

Consent to rollover (if section 7 is completed)

By submitting this form, I am also making the following statements and acknowledgments:

- My client discharges the providers (or their agents) of the super account(s) they wish to rollover ('transferring fund(s)') of all further liability in respect of the benefits paid and transferred to their Panorama Super account.
- My client authorises the Providers (or their agents) to give their TFN to my client's transferring fund(s) and my client consents to their TFN being disclosed for the purposes of consolidating their super accounts.
- My client authorises the Providers (or their agents) to contact the transferring fund(s) regarding this request to rollover their super.
- My client requests and consents to the transfer of super as described in section 7 and authorises the providers of the transferring fund(s) to give effect to this transfer.

DECIXIBTF34073

Pension refresh

9 Adviser authorisation & acknowledgement - continued**Transfers from other Panorama Super accounts – declarations and acknowledgements**

Where I am requesting the Trustee to transfer cash and/or assets from my client's other Panorama Super account(s) into their pension account, I declare and acknowledge that:

- I have cancelled or amended any future transactions set up on my client's transferring fund(s) that will result in a change to the amount of cash held during the transfer process.
- When transferring in full from accumulation phase to either transition to retirement or pension phase, or closing my client's accumulation phase account, BT will instruct insurers to cancel any insurance policies being paid for through my client's Panorama Super account (including linked policies). The transfer request cannot be completed until BT receives confirmation from the insurer that insurance policy has been cancelled. Cancellation processes may vary between different insurance providers.
- My client understands that a personal tax deduction notice cannot be submitted for personal contributions made into their transferring account once the transfer to their pension account has commenced. Following the transfer, my client understands that they will be unable to vary any previous deduction notices that may have been lodged with the providers of their transferring account(s).
