Notice of termination of the BT Monthly Income Fund

Dear «Salutation»,

As a valued investor with BT, we want to let you know about an important change to your investment with us.

Following a recent review of the managed investment schemes offered by BT, we¹ determined that it is in the best interests of investors to terminate the BT Monthly income Fund offered through the BT Classic Investment Funds product.

This letter is to notify you that the BT Monthly Income Fund will be terminating on 7 March 2022.

Why is the BT Monthly Income Fund terminating?

As a result of the current low interest rate environment, the BT Monthly Income Fund has not consistently been distributing income. While monthly income distributions are not guaranteed, we acknowledge it may have been a reason you invested in this scheme. It was determined that since the BT Monthly Income Fund may continue to experience periods of inconsistent income distributions in the future, that it be terminated in the best interests of investors.

¹ "We" in respect of the BT Monthly Income Fund means Westpac Financial Services Limited as the Responsible Entity

What does this mean for me?

You currently have the following investment holdings impacted by these changes:

Scheme name	APIR Code	Your holdings*	Termination to commence	Proceeds paid to you
BT Monthly Income Fund	BTA0041AU	<Holdings>	7 March 2022	Mid-March 2022

*As at 26 November 2021

If there is any income available to be distributed from the BT Monthly Income Fund, you will receive a final distribution in your nominated bank account before the proceeds of your investments are returned to you.

The assets underlying your investment holdings will then be sold down, and the proceeds of your investment will be paid to your nominated bank account in the timeframe noted in the above table. If we don't have your bank details on record, we will send you a cheque.

What do I need to do?

There is nothing you need to do to participate in the termination. If you don't do anything, any final distributions and proceeds will be paid to your nominated bank account or via cheque. If you'd like to consider investing the proceeds of your investment with BT, please call our Customer Relations team on 132 135 or visit bt.com.au/personal/investments.

If you require urgent access to your investment holdings prior to the 'Proceeds paid to you' date in the above table, please call our Customer Relations team on 132 135 and we can discuss this with you. If a large number of investors redeem from the scheme prior to the termination commencement date, we will be forced to suspend all redemptions until the termination commencement date to ensure the remaining investors are not negatively impacted.

What happens now?

As the decision to terminate the BT Monthly Income Fund has been made, we can't accept any additional investments.

If you have a regular payment plan or dividend reinvestment arrangement in place for the BT Monthly Income Fund, this has been cancelled effective 7 December 2021. If you have regular payment plans in place for other managed investment schemes you hold with BT, these are not affected.

You'll receive a transaction statement once the transactions are completed, and following the end of the 2022 financial year, a Capital Gains Tax (CGT) statement will be sent to you.

We're here to help

Please call our Customer Relations team on 132 135 from 8:30am to 5:30pm (Sydney time) Monday to Friday – we'd be happy to answer any questions you have about the termination, but please note that we cannot provide any personal advice.

Yours sincerely,

Melinda Howes
Managing Director, Superannuation
