Termination of BT Income Plus Fund

Termination of the BT Income Plus Fund offered through the BT Investment Funds product

As a valued investor with BT, we want to let you know about an important change to your investment with us.

Following a review of the managed investment schemes offered by BT, we¹ have determined that it is in the best interests of investors to terminate the BT Income Plus Fund (the **Fund**) offered through the BT Investment Funds product.

This letter is to notify you that the Fund will be terminated on, or around **17 January 2024** (the **Effective Date**).

Why is the BT Income Plus Fund terminating?

The Fund has a small number of investors, and low funds under management. We believe that as this Fund gets smaller, continuing to run it could pose risks and may have unwanted tax consequences to remaining investors. Additionally, this may create difficulties in achieving asset allocation positions and may lead to increased costs being applied proportionally across the Fund's holdings.

Therefore, we believe it is in the best interest of investors to terminate the Fund.

BT Income Plus Fund
ARSN 087 592 970

¹ "We" means Westpac Financial Services Limited as the Responsible Entity of the BT Income Plus Fund.

What does this mean for me?

As the decision to terminate the Fund has been made, we will not accept any additional investments and cannot accept any withdrawal requests under the constitution of the Fund.

If you have a Regular Investment Plan, Flexi Payment Plan or distribution reinvestment arrangement in place for the Fund, this has been cancelled effective immediately.

You currently have the following investment holdings impacted by this change:

Registered Fund Name	APIR Code	Your holdings*	Effective Date	Proceeds paid to you
BT Income Plus Fund	BTA0042AU		On or around 17 January 2024	By mid-February 2024

*As at 31 August 2023, in Australian dollars.

Following the Effective Date, the underlying assets of your investment holdings will be sold down, and the proceeds of your investment will be paid to your nominated bank account in the timeframe noted in the above table.

What do I need to do?

To be able to pay to your nominated bank account we will need you to update your details with us.

Please complete Sections 1, 2, 3, 8 and 9 of the form included with this letter (and available at https://www.btonline.co.nz/ps/Change_of_Details_Withdrawal_Switch_Form.pdf) and submit it to us via post or courier to the addresses provided below. Please also include the following documents:

Certified copy or original bank statement/deposit slip if the bank account you have provided is not a Westpac New Zealand bank account.

Certified copy of acceptable identity documentation (such as photo and signature pages of your current signed passport, or both side of your current New Zealand driver licence).

Certified copy of proof of address showing your name (such as a recent rates, power, or phone bill). This cannot be from Westpac and must be dated within 12 months of your application.

What is a certified copy?

A certified copy is a copy of an original document on which an authorised person (such as a Justice of the Peace, solicitor, or other legally authorised person) has confirmed it is a true copy of the original. All certified copies must include:

The certifier's name, occupation, signature, and date.

The following or equivalent wording: "I certify this to be a true copy of the original document as sighted by me on [date]".

For identity documents only, add: "and it represents the true likeness and identity of the original".

The certifier cannot be: someone you are related to, your spouse/partner, or someone that lives at the same address.

WARNING STATEMENT

(a) This offer to New Zealand investors is a regulated offer made under Australian and New Zealand law. In Australia, this is Chapter 8 of the Corporations Act 2001 (Aust) and regulations made under that Act. In New Zealand, this is Subpart 6 of Part 9 of the Financial Markets Conduct Act 2013 and Part 9 of the Financial Markets Conduct Regulations 2014.

(b) This offer and the content of the offer document are principally governed by Australian rather than New Zealand law. In the main, the Corporations Act 2001 (Aust) and the regulations made under that Act set out how the offer must be made.

(c) There are differences in how financial products are regulated under Australian law. For example, the disclosure of fees for managed investment schemes is different under the Australian regime.

(d) The rights, remedies, and compensation arrangements available to New Zealand investors in Australian financial products may differ from the rights, remedies and compensation arrangements for New Zealand financial products.

(e) Both the Australian and New Zealand financial markets regulators have enforcement responsibilities in relation to this offer. If you need to make a complaint about this offer, please contact the Financial

Markets Authority, (<http://www.fma.govt.nz>). The Australian and New Zealand regulators will work together to settle your complaint.

(f) The taxation treatment of Australian financial products is not the same as for New Zealand financial products.

(g) If you are uncertain about whether this investment is appropriate for you, you should seek the advice of an appropriately qualified financial adviser.

(h) The offer may involve a currency exchange risk. The currency for the financial products is not New Zealand dollars. The value of the financial products will go up and down according to changes in the exchange rate between that currency and New Zealand dollars. These changes may be significant.

(i) If you expect the financial products to pay any amounts in a currency that is not New Zealand dollars, you may incur significant fees in having the funds credited to a bank account in New Zealand in New Zealand dollars.

(j) The dispute resolution process described in the offer document is available only in Australia and not available in New Zealand.
