We¹ are making changes to the BT Premium Cash Fund

Dear Investor,

We are writing to let you know about changes we are making to the BT Premium Cash Fund. **We intend to make these changes from 26 August 2024, however the date on which the changes take effect (Effective Date) may be later.** If the Effective Date changes to a date that is later than 26 August 2024, we will provide an update at bt.com.au/product-updates

What's changing?

From the Effective Date, we intend to appoint an external provider to provide registry and servicing functions for the BT Premium Cash Fund. Registry services include functions such as processing transactions, account statement delivery and account maintenance. When we appoint the new registry provider, we will also make changes to some of the features and functionality of the BT Premium Cash Fund, which will change the way you interact with us and transact on your accounts.

These changes have been made to provide a more streamlined digital investor experience, enhanced security features, and give you access to a greater level of information and reporting through the new BT Online investor portal. These changes are outlined in the 'Important Information' table enclosed in this letter. It is important you take the time to understand these changes and how they may affect you.

These changes will **not affect the value of your unit holdings or existing investments** within the BT Premium Cash Fund, and there is no change to the fees of the Funds.

What do you need to do?

- 1. We have noted some the key changes below, however, please review the 'Important Information' table enclosed with this letter for the full list of changes and consider how they may affect you:**
 - From Wednesday **21 August 2024**, we will no longer accept any new applications or additional investments from New Zealand investors, nor will we accept any investments as part of a Regular Investment Plan. We will continue to accept distribution reinvestments.
 - The cash account functionality currently offered in association with an investment in the BT Premium Cash Fund will cease to be made available. If you currently utilise the cash account functionality to make applications and/or redemptions from your Fund by direct debit or direct credit, you will need to cancel and re-establish your direct debits and/or direct credits using the BSB and account number details for an external bank account.

¹ Westpac Financial Services Limited (ABN 20 000 241 127 AFSL 233716) (WFSL) (collectively referred to as **BT, we, us, our**) is the responsible entity of the BT Premium Cash Fund.

If you do not take action to cancel and re-establish your direct debits and/or direct credits by the Effective Date, the direct debit payments will not be made from your Fund and any money received as part of a direct credit will be returned to their original source. As a result of this change, investors in the BT Cash Management Trust should note there will be a change to the Investment Objective from the Effective Date.

- We will no longer issue consolidated tax statements where you hold an investment in more than one investment option under your Investor Number. All future annual and tax statements will be issued after 30 June each year in line with the Australian financial year, as opposed to the New Zealand financial year.
- We will no longer make withdrawal or distribution payments, by cheque. From the Effective Date, all withdrawal payments and distribution payments will need to be paid to your nominated bank account, and you may need to provide us with updated instructions.

If you have any questions, you can contact us or speak to your financial adviser (if you have one).
