## Changes to the Perpetual Conservative Growth Fund buy-sell spread

16 June 2020

This Update, dated 16 June 2020, updates information contained in the BT Investment Funds Product Disclosure Statement (PDS) dated 30 September 2017 jointly issued by BT Funds Management Limited ABN 63 002 916 458, AFSL 233724, BT Funds Management No. 2 Limited ABN 22 000 727 659, AFSL 233720 and Westpac Financial Services Limited ABN 20 000 241 127, AFSL 233716. It should be read together with the PDS which is available at [bt.com.au](http://bt.com.au).

The information in the PDS is updated for the changes set out below.

### Changes to the Perpetual Conservative Growth Fund buy-sell spread

The underlying fund manager for the **Perpetual Conservative Growth Fund** had increased their buy-sell spread in May 2020 as a result of recent market volatility and the reduced ability to trade credit and debt assets in the financial markets due to the Coronavirus (COVID-19) pandemic.

From 16 June 2020, the buy-sell spread for the **Perpetual Conservative Growth Fund** will decrease to reflect an improvement in market liquidity. This is summarised in the table below:

APIR Code	Fund	Previous buy-sell spread	Buy-sell spread effective from 16 June 2020
WFS0097AU	Perpetual Conservative Growth Fund	0.39%	0.34%

You should consider these costs when making any investment decisions such as changing investment options and when making additional investments.

### Future changes to buy-sell spreads

The applicable buy-sell spread may vary from time to time. Prior notice will not ordinarily be provided. In times of market volatility, such as the current COVID-19 pandemic, we expect the buy-sell spreads to regularly change and significant increases may occur. Updated buy-sell spread information will be posted on the Prices and Performance page of [bt.com.au](http://bt.com.au).
